

Permanent Consent for Use of Student Images/Work on Internet

FP 013/12

There are instances in schools when it is desirable to use digital media to showcase student/school achievement, including the publishing of a student's name, photographs, videos, interviews, or other work, for the purpose of highlighting student accomplishments.

In order to publish these items on the internet, consent is required from the parent/guardian. Please review the information below regarding the online publishing of your child's image/work on the internet, sign and date the form, and return it to your child's school. Alternatively, fill out the form electronically and email it to the school's email address listed on the website.
